

Dear Neighbour,

**Subject: Weekly Sandwich Street Activities Update – April 15, 2024**

As part of the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street will be reconstructed by Bridging North America. Construction is now underway on Sandwich Street with road reconstruction and watermain installation activities occurring in various locations. To help keep the community informed on activities planned for Sandwich Street, the project team will provide weekly email updates.

A summary of the planned construction activities for the week of April 15, 2024 is below. Please keep in mind that construction is subject to weather and supply chains. Activities may shift as needed.

**Road Reconstruction Work - McKee Road to Ojibway Parkway Intersection:**

Activities completed last week:

- Relocation of fire hydrant
- Installation of catch basins and road subdrains.

Activities anticipated the week of April 15:

- Installation of catch basins and road subdrains (continued)
- Installation of storm sewer pipe.

**Sandwich Street Watermain Work:**

Starting the week of April 15, 2024, and lasting approximately 2.5 months, Bridging North America will undertake watermain installation on Sandwich Street between Chappell Avenue and Chewett Street. Completion of the work will require rolling lane closures, temporary parking restrictions and some access restrictions to side streets throughout this stretch of Sandwich Street. Through the use of flaggers, sections of Sandwich Street will be reduced to one lane of two-way traffic during the hours of 7:00 am to 7:00 pm. Two lanes will reopen to traffic during overnight hours. During construction, access to adjacent residences, businesses and pedestrian walkways will be maintained. Parking on Sandwich Street within construction areas will not be permitted.

Construction activities will take place in segments and will start the week of April 15 between Chappell Avenue to Prince Road. These include:

- Sign placement and preparation for lane closures
- Saw cutting of the roadway to prepare for watermain work
- Work to begin on watermain.

As sections of work are completed, the roadway will reopen to two lanes of traffic.

## **MONTHLY DROP-IN MEETINGS**

To help keep the community informed about Sandwich Street construction, the project team is launching a monthly drop-in meeting. Join us for the first Sandwich Neighbour Meeting on Thursday, April 25, 2024. Drop in to meet project representatives, get the latest Sandwich Street construction updates and share your feedback. Meetings will be open-house format and held on the fourth Thursday of every month.

### **Monthly Sandwich Neighbour Meeting**

**April 25, 2024**

**Sandwich Community Office**

**3201 Sandwich Street, Windsor, ON**

**5:00 p.m. – 7:00 p.m.**

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible. Please contact us at 1-844-322-1773, [info@wdbridge.com](mailto:info@wdbridge.com) or visit the Sandwich Community Office located at 3201 Sandwich Street on Tuesdays and Thursdays between 10:00 a.m. – 4:00 p.m. should questions or concerns arise.

Thank you.
