

Dear Neighbour,

Subject: Weekly Sandwich Street Activities Update – December 4, 2023

As part of the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street will be reconstructed by Bridging North America. Sandwich Street reconstruction work is now underway with the first segment of work ongoing between the Essex Terminal Railway (ETR) crossing and Chappell Avenue. To help keep the community informed on activities planned for Sandwich Street, the project team will provide weekly email updates.

A summary of the planned construction activities for the week of December 4, 2023, is below. Please keep in mind that construction is subject to weather and supply chains, so some activities may shift as needed:

Activities completed last week:

- Excavate concrete sidewalk/pathway
- Granular placement/fine grade for asphalt sidewalk
- Form, place and cure concrete sidewalks and wheelchair ramps
- Reinstall street light poles and wires.

Activities anticipated the week of December 4:

- Landscaping and grass seeding
- Line painting and sign installations
- Finish paving work.

Please share this email or information with your neighbours that may not have received it. If other community members would like to join the weekly email list, please have them send an email to info@wdbridge.com.

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible. Please contact us at 1-844-322-1773, info@wdbridge.com or visit the Sandwich Community Office located at 3201 Sandwich Street on Tuesdays and Thursdays between 10:00 a.m. – 4:00 p.m. should questions or concerns arise.

For more information about Sandwich Street reconstruction work, visit the project website at www.GordieHoweInternationalBridge.com.

Thank you.
