

Dear Neighbour,

Subject: Weekly Sandwich Street Activities Update – May 27, 2024

Good afternoon,

As part of the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street will be reconstructed by Bridging North America. Construction is now underway on Sandwich Street with road reconstruction and watermain installation activities occurring in various locations. To help keep the community informed on activities planned for Sandwich Street, the project team will provide weekly email updates.

A summary of the construction activities for the week of May 27, 2024, is below. Please keep in mind that construction is subject to weather and supply chains. Activities may shift as needed.

Road Reconstruction Work - McKee Road to Ojibway Parkway Intersection:

Anticipated Activities:

- Wrap up placement and curing of concrete curbs.
- Pour the southbound lanes.
- Grading and granular placement for driveways and multi-use path.

The intersection of Sandwich and Ojibway will remain closed until the southbound lanes between Ojibway Parkway to Essex Terminal Railway Tracks are complete. Access to businesses will be maintained through the detour route:

Road Reconstruction Work – Ojibway Parkway Intersection to Essex Terminal Railway (ETR) Tracks

Anticipated Activities:

- Pour intersection of Prospect Avenue and Sandwich Street.

Sandwich Street Watermain Work:

Bridging North America (BNA) is undertaking watermain installation on Sandwich Street between Chappell Avenue and Chewett Street in advance of road reconstruction. Construction activities are taking place in the following segments:

- Chappell Avenue to Prince Road
- Prince Road to South Street
- South Street to Brock Street (currently underway)

- Brock Street to Chewett Street (currently underway)

Anticipated Activities:

- Pressure testing and flushing in select segments with service connections to residents and businesses to follow. ENWIN Utilities will coordinate these connections directly with affected properties.
- Watermain installation between Brock St and Chewett Street.

Traffic Update:

A change in the approach to traffic management during watermain construction currently underway along Sandwich Street is necessary following ongoing safety inspections. Anticipated to start June 3, 2024, Bridging North America will put rolling full closures of Sandwich Street in place, within active construction zones to ensure the safety of the construction crews currently undertaking the work.

Traffic will be detoured around the active work zone as follows:

- All truck traffic will use Russell Street for both directions of travel
- All non-truck traffic will use Peter Street for northbound travel and Russell Street for southbound travel.

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible. Please contact us at 1-844-322-1773, info@wdbridge.com or visit the Sandwich Community Office located at 3201 Sandwich Street on Tuesdays and Thursdays between 10:00 a.m. – 4:00 p.m. should questions or concerns arise.
