

Dear Neighbour,

**Subject: Weekly Sandwich Street Activities Update – October 21, 2024**

Funded through the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street is being reconstructed by Bridging North America. Construction is well underway on Sandwich Street with road reconstruction activities occurring in various locations. To help keep the community informed on activities planned for Sandwich Street, the project team is providing weekly email updates.

A summary of the construction activities for the week of October 21, 2024, is below. Please keep in mind that construction is subject to weather and supply chains. Activities may shift as needed.

**Ojibway Parkway Intersection to Essex Terminal Railway (ETR) Tracks:**

Anticipated activities:

- Island concrete work
- Curb installation in section closest to ETR.

Two-way traffic and access to businesses will continue to be maintained throughout this work.

**Sandwich Street Watermain Work**

Restoration along side streets continues. This is anticipated to be complete by the end of October.

**Road Reconstruction**

Bridging North America began work to reconstruct Sandwich Street from Chappell Avenue to the roundabout on June 12, 2024. This work will take place for approximately six months and includes asphalt paving and sidewalks, the addition of new bicycle lanes and enhanced streetscaping within the Sandwich BIA district from Brock Street through Detroit Street.

**Traffic will continue to be detoured around the active work zones as follows:**

- All truck traffic will use Russell Street for both directions of travel
- All non-truck traffic will use Peter Street for northbound travel and Russell Street for southbound travel.

**On Monday, October 21, 2024, BNA and its subcontractor plan to pave the final layer of asphalt from Chippawa Street to Chewett Street. If your vehicle is parked on Sandwich Street, please move the vehicle by 6:00am on Monday, October 21 and park on a nearby side street until the end of the day. This will not impact garbage or recycling. The attached letter will be issued to residents and businesses in the area today.**

Anticipated Activities:

**Chappell to Chippawa Street**

- Signage installation to be completed
- This section of Sandwich Street is anticipated to reopen the week of October 21.

Please note: This section of roadway remains closed to the travelling public until all work is complete and the roadway is officially reopened.

**Chippawa to Brock Street**

- Remaining driveways to be poured
- Sod placement
- Surface asphalt paving
- Line painting and signage installation.

**Brock to Mill Street**

- Sidewalk and driveways to be poured
- Surface asphalt paving
- Installation of street light bases
- Prep work for planter and paver locations.

**Mill to North Limits**

- Surface asphalt paving
- Prep work for planter and paver locations
- Topsoil and sod will be placed on east side of street
- Sidewalk will be formed and poured on west side of street.

Note: Canada post has adjusted mail delivery in some locations along Sandwich Street. Canada Post notified affected property owners directly and will share updated information as it becomes available. Please direct any questions related to mail delivery to 519-972-2501 ext. 2105.

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible. Please contact us at 1-844-322-1773, info@wdbridge.com or visit the Sandwich Community Office located at 3201 Sandwich Street on Tuesdays and Thursdays between 10:00 a.m. – 4:00 p.m. should questions or concerns arise.
