

Dear Neighbour,

Subject: Weekly Sandwich Street Activities Update – October 28, 2024

Funded through the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street is being reconstructed by Bridging North America. Construction is well underway on Sandwich Street with road reconstruction activities occurring in various locations. To help keep the community informed on activities planned for Sandwich Street, the project team is providing weekly email updates.

A summary of the construction activities for the week of October 28, 2024, is below. Please keep in mind that construction is subject to weather and supply chains. Activities may shift as needed.

Ojibway Parkway Intersection to Essex Terminal Railway (ETR) Tracks:

Anticipated activities:

- Curing of concrete in northbound lanes and islands
- Remaining two driveways to be formed and poured
- Top soil and seeding
- Line painting.

Sandwich Street Watermain Work

Restoration along side streets is anticipated to be completed this week.

Road Reconstruction

Bridging North America began work to reconstruct Sandwich Street from Chappell Avenue to the roundabout on June 12, 2024. This work will take place for approximately six months and includes asphalt paving and sidewalks, the addition of new bicycle lanes and enhanced streetscaping within the Sandwich BIA district from Brock Street through Detroit Street.

Traffic will continue to be detoured around the active work zones as follows:

- All truck traffic will use Russell Street for both directions of travel
- All non-truck traffic will use Peter Street for northbound travel and Russell Street for southbound travel.

Anticipated Activities:

Chappell Avenue to Chippawa Street

- Line painting touch ups and signage installation. Section of roadway to be reopened once complete.

Chippawa Street to Brock Street

- Remaining concrete driveways to be poured
- Line painting and signage installation.

Brock to Mill Street

- Installation of street light bases and poles
- Prep work for planter and paver locations
- Paver installation to occur following prep
- Topsoil and sod placement.

Mill to North Limits

- Prep work for planter and paver locations
- Topsoil and sod will be placed on east side of street
- Sidewalk will be poured on west side of street.

Note: Canada post has adjusted mail delivery in some locations along Sandwich Street. Canada Post notified affected property owners directly and will share updated information as it becomes available. Please direct any questions related to mail delivery to 519-972-2501 ext. 2105.

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible.
