

Dear Neighbour,

**Subject: Weekly Sandwich Street Activities Update – October 16, 2023**

As part of the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street will be reconstructed by Bridging North America. Sandwich Street reconstruction work is now underway with the first segment of work ongoing between the Essex Terminal Railway (ETR) crossing and Chappell Avenue. To help keep the community informed on activities planned for Sandwich Street, the project team will provide weekly email updates.

A summary of the planned construction activities for the week of October 16, 2023, is below. Please keep in mind that construction is subject to weather and supply chains, so some activities may shift as needed:

**Activities completed last week:**

- Excavation, grading and placement of granular for sidewalk work.

**Activities anticipated the week of October 16:**

- Placement and curing of concrete driveways (continuation from last week)
- Placement and curing of concrete sidewalk (continuation from last week)
- Landscaping/grass seeding
- Traffic control switch - It is anticipated that the current traffic configuration will switch to construct the opposite side of Sandwich Street between ETR and Chappell Ave later this week, with northbound traffic continuing to be maintained.

**The Gordie Howe International Bridge Project Team will also be hosting upcoming Community Appreciation Breakfasts. With a variety of recent and upcoming achievements on the project, we look to celebrate with residents and community members to thank you for your support and patience over the last five years of construction. The event in Sandwich will take place on Saturday, November 4, 2023, at Sandwich Teen Action Group. This event will feature entertainment and family-friendly activities along with a free breakfast from 9:00 a.m. – 12:00 p.m. Registration is required. [Book your seat here.](#) We hope that you will join us for this event.**

It is anticipated that the current traffic configuration will switch to construct the opposite side of Sandwich Street between ETR and Chappell Ave late next week (week of October 16), with northbound traffic continuing to be maintained. We will provide additional information in next week's update.

Please share this email or information with your neighbours that may not have received it. If other community members would like to join the weekly email list, please have them send an email to [info@wdbridge.com](mailto:info@wdbridge.com).

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible. Please contact us at 1-844-322-1773, [info@wdbridge.com](mailto:info@wdbridge.com) or visit the Sandwich Community Office located at 3201 Sandwich Street on Tuesdays and Thursdays between 10:00 a.m. – 4:00 p.m. should questions or concerns arise.

For more information about Sandwich Street reconstruction work, visit the project website at [www.GordieHoweInternationalBridge.com](http://www.GordieHoweInternationalBridge.com).

Thank you.
