

Dear Neighbour,

Subject: Weekly Sandwich Street Activities Update – October 30, 2023

As part of the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street will be reconstructed by Bridging North America. Sandwich Street reconstruction work is now underway with the first segment of work ongoing between the Essex Terminal Railway (ETR) crossing and Chappell Avenue. To help keep the community informed on activities planned for Sandwich Street, the project team will provide weekly email updates.

A summary of the planned construction activities for the week of October 30, 2023, is below. Please keep in mind that construction is subject to weather and supply chains, so some activities may shift as needed:

Activities completed last week:

- Continuation of work zone excavation
- Insulation of watermain
- Adjustment of stormwater structures
- Installation of subdrains
- Placement and grading of granular base and drainage layer.

Activities anticipated the week of October 30:

- Inspection of storm sewer installations
- Placement of open graded drainage layer
- Preparation and set up for paving work
- Placement and curing of concrete pavement.

Note - On Saturday, November 4, 2023, Bridging North America will implement a full closure of Sandwich Street between the Essex Terminal Railway (ETR) easement tracks and Chappell Avenue. This closure is anticipated to be in place 3 a.m. to 7 p.m. Following this one-day closure, traffic will return to the current one-lane northbound configuration.

Please share this email or information with your neighbours that may not have received it. If other community members would like to join the weekly email list, please have them send an email to info@wdbridge.com.

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible. Please contact us at 1-844-322-1773, info@wdbridge.com or visit the Sandwich Community Office located at 3201 Sandwich Street on Tuesdays and Thursdays between 10:00 a.m. – 4:00 p.m. should questions or concerns arise.

For more information about Sandwich Street reconstruction work, visit the project website at www.GordieHoweInternationalBridge.com.
