

Dear Neighbour,

**Subject: Weekly Sandwich Street Activities Update – November 25, 2024**

Funded through the Gordie Howe International Bridge project, just over three kilometres of Sandwich Street is being reconstructed by Bridging North America. Construction is well underway on Sandwich Street with road reconstruction activities occurring in various locations. To help keep the community informed on activities planned for Sandwich Street, the project team is providing weekly email updates.

A summary of the construction activities for the week of November 25, 2024, is below. Please keep in mind that construction is subject to weather and supply chains. Activities may shift as needed.

**Road Reconstruction**

Bridging North America began work to reconstruct Sandwich Street from Chappell Avenue to the roundabout on June 12, 2024. This work will take place for approximately six months and includes asphalt paving and sidewalks, the addition of new bicycle lanes and enhanced streetscaping within the Sandwich BIA district from Brock Street through Detroit Street.

Traffic will continue to be detoured around the active work zones as follows:

- All truck traffic will use Russell Street for both directions of travel
- All non-truck traffic will use Peter Street for northbound travel and Russell Street for southbound travel.

Anticipated Activities:

**Chippawa Street to Brock Street**

- Installation of concrete crosswalk at Brock.

**Brock Street to Mill Street**

- Installation of street light poles and wire pulling
- Gaps in sidewalk to be graded and poured
- Paver installation
- Topsoil and sod placement.

### **Mill Street to Chewett Street**

- Installation of street light poles and wire pulling
- Prep work for planter and paver locations
- Gaps in sidewalk/curbs to be graded and poured
- Installation of concrete crosswalks at Mill and Detroit
- Topsoil and sod placement.

Note: Canada post has adjusted mail delivery in some locations along Sandwich Street. Canada Post notified affected property owners directly and will share updated information as it becomes available. Please direct any questions related to mail delivery to 519-972-2501 ext. 2105.

Your feedback is important to us as we move forward with this work and will help the team lessen the inconvenience of construction where possible.
