2025 Community Organization Investment – Applications now open

Applications are open for the 2025 Community Organization Investment initiative as part of the [Community Benefits Plan](#).

In the initiative's sixth and final year of delivery, the 2025 Community Organization Investment initiative will provide funding of \$300,000 (CDN) in Canada and the US to community organizations serving Sandwich/west Windsor or Delray/Southwest Detroit residents.

Eligible organizations can submit funding applications for proposed initiatives ranging from \$5,000 to \$50,000 (CDN) for events, programming and infrastructure improvements that will benefit the Sandwich/west Windsor or Delray/Southwest Detroit neighbourhoods.

Applications will be accepted until 4:00 p.m. (EST) on Wednesday, January 29, 2025.

Applications will undergo a thorough review process and will only be considered for funding if eligibility requirements are met. [Learn more and apply now!](#)

Organizations looking for additional information on the Community Organization Investment process and eligibility requirements are encouraged to visit the GordieHoweInternationalBridge.com for more information and attend an upcoming Public Information Meeting on December 3 (Detroit) or December 4 (Windsor), or register to attend the virtual information session on January 9, 2025.

COMMUNITY ORGANIZATION INVESTMENT APPLICATIONS NOW OPEN

Applications are open for the **2025 Community Organization Investment** as part of the Community Benefits Plan to support eligible organizations located in or servicing west Windsor/Sandwich or southwest Detroit/Delray.

Applications will be accepted until January 29, 2025

Apply for up to \$50,000 (CDN) at GordieHoweInternationalBridge.com

Bridge Deck Paving

Paving of the Gordie Howe International Bridge deck has been taking place over the last month. Composed of a latex modified concrete, the overlay is 50 mm/1.97 inches thick. Check out this [photo gallery](#) and video featuring the progress.

Bridge Site Photo Gallery

We've posted a new [photo gallery](#) of the bridge site on the project website. Paving of the deck as well as installation of electrical, drainage and fire suppression systems are all underway. Check out the new progress photos.
