February Community Newsletter

Our latest Community Newsletter is now available on our [website](#). Read about the countdown to operations, aesthetic features on the Michigan Interchange, community involvement and hear from our CEO.

The Gordie Howe International Bridge project between Windsor, Ontario and Detroit, Michigan will help move goods and people more efficiently at this important trade gateway. Managed by Windsor-Detroit Bridge Authority (WDBA) and working in collaboration with the State of Michigan, the project is being delivered through a public-private partnership (P3) which will see Bridging North America (BNA) design, build, finance, operate and maintain the bridge.

COUNTDOWN TO OPERATIONS

The Gordie Howe International Bridge will open this fall, delivering unparalleled benefits for supply chains, industry and commercial users that are moving people and goods through the Windsor-Detroit trade corridor. There will be lots of information shared as we work towards opening day.

Toll rates will be announced this spring, in both Canadian and US currency. Both currencies will be accepted to pay tolls. For commercial users, rates will be based on axle of vehicle class. A loyalty program will also be available, offering a discount on both passenger and commercial tolls.

Toll collection features:

- Collection at the Canadian Port of Entry for inbound/outbound traffic
- 16 lanes, eight in each direction
- A combination of automatic and electronic toll collection options
- Variety of payment options
- Pre-paid accounts with manual and automatic replenishment and post-paid accounts
- A bilingual customer service call centre offering English and French services.
