

Michigan Interchange activities underway as part of the Gordie Howe International Bridge project include a number of local road improvements:

Reconstruction and realignment of:

- Green Street from I-75 to W. Jefferson Avenue, including a boulevard from the Norfolk Southern Railway to W. Jefferson Avenue
- Campbell Street from I-75 to W. Jefferson Avenue, including a boulevard from the Norfolk Southern Railway to W. Jefferson Avenue (**complete**)
- Livernois Avenue from I-75 to the dead end, with construction of a cul-de-sac and conversion to 2-way traffic south of Fort Street (**complete**)

Fort Street local road improvement progress.

Reconstruction and reconfiguration of the following intersections:

- West End Street and Fort Street (**complete**)
- West End Street and W. Jefferson Avenue (**complete**)
- Dearborn Street and W. Jefferson Avenue
- Clark Street and Fort Street (**complete**)
- Clark Street and W. Jefferson Avenue (**complete**)

Road resurfacing will take place on:

- North and southbound I-75 Service Drives from West End Street to Clark Street (**in progress**)
- Fort Street from Junction Avenue to Green Street (**in progress**)
- Cavalry Street: construction of a new cul-de-sac at the southern terminus (**in progress**)
- W. Jefferson Avenue from Campbell Street to West End Street (**in progress**).

Local road improvements are taking place along Fort Street between Junction Avenue and Green Street with bike lane and sidewalk work nearing completion and road paving work anticipated to begin in the coming weeks.

Asphalt paving is also anticipated to take place on the Calvalry Street cul-de -sac in the comnig weeks. Work is also taking place along W. Jefferson Avenue between Springwells Court and West End Street, with constrction of bike lanes, sidewalks and a boulevard, as well as drainage work. Lane closures are currently in place to accommodate this work.
