

PONT INTERNATIONAL **Gordie Howe** INTERNATIONAL BRIDGE

Good afternoon,

Here are a few things we wanted you to know about:

Southwest Detroit Community Office Update

Since 2019, the project team has prioritized community engagement by offering several options for outreach. Community Offices have provided services to Delray/Southwest Detroit and Sandwich/west Windsor, in addition to a toll-free public inquiry line and a dedicated email account.

As construction nears completion, WDBA has reviewed the two community offices and will be moving to an appointment-based system for Southwest Detroit. This change reflects the low number of in-person visits and will allow WDBA to assign staff to other engagement methods and maintain efficiencies. The majority of inquiries are received through phone or email, with the project team receiving more than 5,400 inquiries since 2018.

Starting **December 10, 2025**, WDBA's Southwest Detroit Community Office will be open to the public by appointment only. Appointments can be made by calling the toll-free public inquiry line **1-844-322-1773** or by emailing **info@wdbbridge.com**.

The project team is a proud member of the Southwest Detroit and Sandwich communities and looks forward to our ongoing participation in-person community events and activities. This change does not affect the Sandwich Community Office. Operations of the community offices will continue to be reviewed and adjusted to meet the needs of both communities.

New Photo Galleries and Flyovers

Check out these new **photo galleries** and flyover footage of the Canadian Port of Entry and of the Michigan Interchange.

At the Canadian Port of Entry crews are working on finishing touches and adding signage. At the Michigan Interchange, work continues on the ramps connecting I-75 to the US Port of Entry with signage installation underway. All five pedestrian bridges are nearing completion and local road improvements continue with the installation of trees and signage.

November Community Newsletter

The latest edition of the Gordie Howe International Bridge project community newsletter is **live**. Read about the project schedule, aesthetic bridge lighting testing, community involvement and navigating the Ports of Entry.

Gordie Howe International Bridge MOMENTUM

Quarterly Newsletter issued by: Windsor-Detroit Bridge Authority
November 2025

The Gordie Howe International Bridge project between Windsor, Ontario and Detroit, Michigan will help move goods and people more efficiently at this important trade gateway. Managed by Windsor-Detroit Bridge Authority (WDBA) and working in collaboration with the State of Michigan, the project is being delivered through a public-private partnership (P3) which will see Bridging North America (BNA) design, build, finance, operate and maintain the bridge.

IN THIS EDITION

- Operational Updates
- People Profile
- Aesthetic Lighting Testing
- In the Community
- Navigating The Ports of Entry
- Broadway Street Multi-Use Path and Malden Park Trailhead Are Open
- Kid Zone

CONTACT US

Have a question about the Gordie Howe International Bridge project?

Meet with our team at our Sandwich Community Office at 3201 Sandwich St. or Southwest Detroit Community Office at 7744 W Vernor Hwy.

Office hours can be found on GordieHoweInternationalBridge.com.

Call us toll-free at 1-844-322-1773, email us at info@wdbridge.com, or message us through any of the project social media accounts.

OPERATIONAL UPDATES

Project Schedule

The project team is progressing well toward construction completion this year with opening as soon as early 2026. Like any large complex project, the team is currently focusing on commissioning and testing to ensure we identify any potential issues before opening the bridge to traffic. We are also providing border agencies sufficient time to achieve operational readiness on what is the largest and most complex border crossing along the US-Canada border.

The exact opening date will depend on our ongoing quality reviews and commissioning, as well as the need for our operating teams and border agencies to achieve operational readiness. We will continue to provide updates on the timelines as we move towards opening.

Coming soon

- Customer account program to provide passengers with the most convenient way to pay toll using pre-paid accounts.
- Dedicated Customer Care team to support account program and tolling needs.
- Toll rates and policy.
- Multi-use path policy and terms of use.
